**Reservations at Beau View Soaring**

*Majority of condo community's first tower reserved*

Biloxi, MS – Due to overwhelming response in Beau View condominium Tower 1, we are pleased to announce the early release of Tower 2 for sale. Tower 1, which is 95% reserved, is slated for construction to be completed in the fall of 2006.

“We are thankful to all of those purchasers who have recognized a distinctive development in such a dynamic market,” said Beau View Marketing Director Tonya Zimmern. “The response to the first tower, which was only released five weeks ago, indicates the outstanding demand for the Beau View condominiums and the Biloxi Gulf Coast lifestyle. We are excited to announce to our current clientele the release of Beau View Tower 2 and encourage all potential purchasers to contact our sales team to secure an early offering position,” Zimmern added.

The Davis Companies, located in Newberry, FL, who are developing Beau View, recognized Biloxi and the Mississippi Gulf Coast region as one of the southeast's most attractive growth areas.

Beau View is an upscale, gated community offering the definitive coastal lifestyle. The development will include four towers, each offering 112 elegant residences varying in size from 1,395 to 3,720 square feet. Price range for units in Tower 2 will start at \$465,000 and will top out at \$1.48 million for penthouses.

“Our goal is to be at the forefront of what we know is going to be significant and continuous growth in the Biloxi area, as shown by the phenomenal interest we have already had from buyers,” Stefan Davis, president of the Davis Companies, said. “Beau View will be the benchmark against which all other developments will be measured. A few of Beau View's standard features, which would be upgrades in surrounding developments, include crown molding, GE Profile™ stainless steel appliances, granite countertops, wet bars, Jacuzzi baths and the most beautiful sunsets on the Mississippi Gulf Coast,” Davis said.
